Rough Draft of "Functional Analysis of Positions in CIA"

The positions in CIA have been associated, on a functional basis, into 7 major Groups. These Groups, together with the number of job titles contained therein, are as follows:

Group I - Intelligence and Operations	110 titles
Group II - Communications	55 titles
Group III - Personnel	53 titles
Group IV - Fiscal and Management	46 titles
Group V - Services and Supply	56 titles
Group VI - Office Services	70 titles
Group VII - Support and Maintenance	<u>161</u> titles
Total	551 titles

Further breakdown of the Groups into functional Job Families has been accomplished in 2 of the major Groups, namely, Communications and Support and Maintenance. For example:

Group II, Communications, has 3 Job Families as follows:

A. Operations	23 titles
B. Security	10 titles
C. Engineering	22 titles

Group VII, Support and Maintenance, has 10 Job Families as follows:

A. Engineering	9 titles
B. Graphic Arts	44 titles
C. Presentation	20 titles
D. Technology	23 titles
E. Buildings	11 titles
F. Warehousing	8 titles
G. Protective	5 titles
H. Personal Services	9 titles
I. Vehicular	12 titles
J. Trades	20 titles

It is believed that Development Programs can be built around and devised for each of these Job Families.

GROUP I. INTELLIGENCE AND OPERATIONS

The Intelligence and Operations Group of Job Families includes those positions associated with collection, analysis, evaluation, collation and research, processing, dissemination of information and the transformation of information into intelligence of both positive and security nature. Included in this Group are both producers and users of intelligence. This Group is characterized by requirements, in varying degrees, of a basic knowledge of the history, policies, practices and principles associated with the total intelligence process.

The Intelligence and Operations Group contains 110 job titles. The major Job Families have not yet been demarcated.

The major relationships of the Intelligence and Operations Group are with

Group II - Communications

Group III - Personnel

Group VI - Office Services.

GROUP VII. SUPPORT AND MAINTENANCE

The Support and Maintenance Group of Job Families includes those positions associated with specialized functions and skills that are necessary to the operation of the Agency but are not intimately connected with the intelligence process or with the substantive work of the Agency. The Support and Maintenance Group is characterized by the requirement of basic technical knowledge or manual skill that is exercised primarily to its own end in support of the Agency's mission.

The Support and Maintenance Group contains 161 job titles. The major Job Families are as follows:

- A. Engineering - 9 titles
- B. Graphic Arts - 14 titles
- C. Presentation - 20 titles
- D. Technology - 23 titles
- E. Buildings - 11 titles
- F. Warehousing - 8 titles
- G. Protective - 5 titles
- H. Personal Services - 9 titles
- I. Vehicular - 12 titles
- J. Trades - 20 titles

The major relationships of the Support and Maintenance Group are with
Group II - Communications

Group V - Services and Supply,
